Teardrop Flags

Teardrop flags are an eye-catching outdoor advertising solution, perfect for events, storefronts, and exhibitions. These versatile flags offer a dynamic way to showcase branding, promotions, and messages, whether used indoors or outdoors.

FEATURES AND BENEFITS:

- Durable, weather-resistant polyester withstands outdoor conditions.
- Lightweight and portable, includes a free carry bag.
- Quick and easy assembly—takes only 2 minutes to set up, requires just one person, and no tools are needed.
- Full fibre flagpole is one of the strongest on the market, capable of withstanding wind speeds up to 45 kph.
- High-quality full-colour, UV-resistant printing ensures vibrant and long-lasting graphics.
- Multiple flag base options for different surfaces and added stability.
- Range of sizes available to fit any display need.
- Washable and reusable for long-lasting use.

BASE OPTIONS:

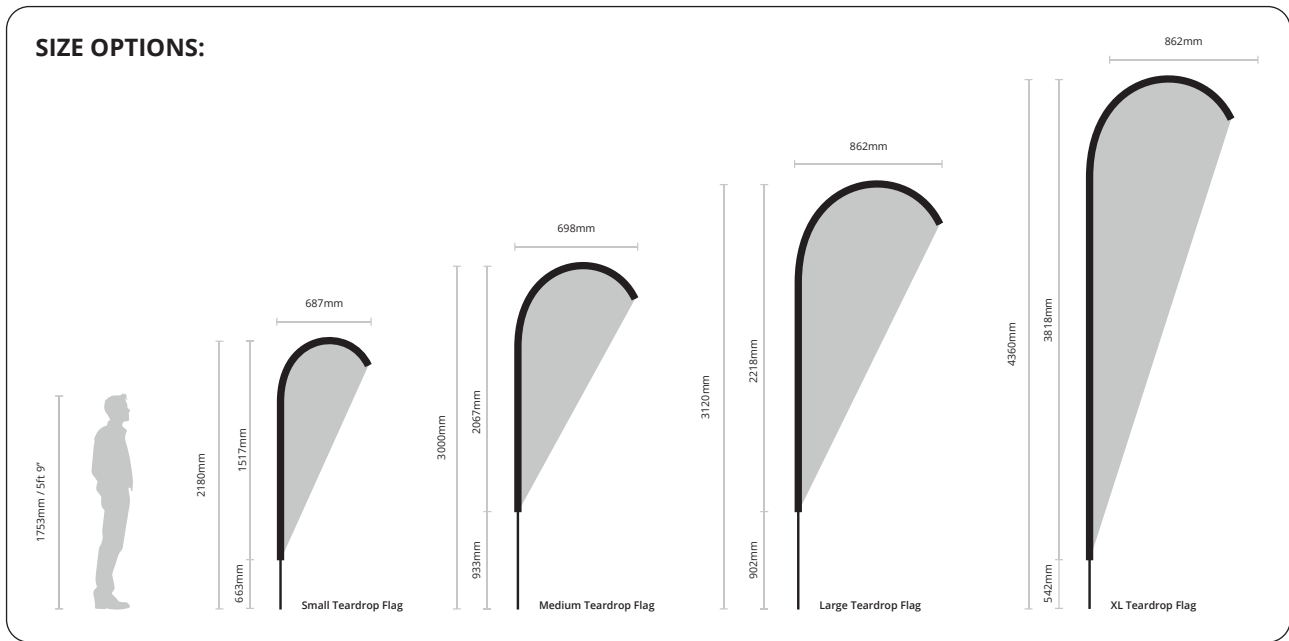

Ground Spike – Our most budget-friendly base, made of durable metal and ideal for securing flags in soft ground, like fields. Perfect for one-day events.

20 Litre Base – A sturdy, square base that can be filled with 20 litres of water for added stability. Suitable for flags of any size.

30 Litre Tyre Base – Our heaviest option, holding up to 30 litres of water. This base ensures your flag stands tall, even in strong winds.

CARE INSTRUCTIONS:

- A flag typically lasts 4 to 6 months, but longevity can be increased by following these care tips.
- In extreme weather conditions, please remove your flags and store them safely indoors.
- Ensure there is sufficient space for your flag to rotate freely.
- When using your flag for the first time in wet conditions, there may be a chance of colour running. This can be easily fixed by washing the flag after use.
- Flags can be hand or machine washed at 30°C using regular household detergents.
- Flat dry your flag and avoid ironing to maintain its quality.
